2014-15 Sponsorship Guide and Commitment Form

Looking to Get Involved with AIA Palomar and the Northern San Diego County Architectural Community!?

Why Sponsor AIA Palomar?

Reciprocity. We look at our sponsors as our most important partners – the chapter can't exist without you! Thus, the goal of every sponsorship opportunity that we offer is to provide you with maximum value and for us to (together) grow architecture in Northern San Diego County while building lasting relationships! What do we define as value? Accessibility: putting you in front of your target market in relaxed, social environments.

Architectology: AIA Palomar's CE Day November 2015

More than just another CE Day – AIA Palomar's continuing education event is about networking while learning amongst your fellow architectural community. Sponsors get a chance to not just teach a CE course, but to also build relationships, as you're invited to spend the entire day (including lunch) with your students (and future business partners). Combined with breaks after every teaching session – AIA Palomar's CE Day is a perfect way to enhance your visibility, network and share your knowledge among the local architectural industry! *By sponsoring CE Day you are committing to giving a 45 minutes to 1 hour presentation.*

Holiday Party December 2015

AIA Palomar's end of the year Holiday Party is a prime opportunity to enhance your company profile and maximize your exposure as you have the chance to integrate with such industry peers as architects, engineers, property managers, inspectors, interior designers, construction leaders, service and materials providers and more!

Upcoming Opportunities to Get Involved:

- CE Day Sponsor: \$400
- Holiday Party Table Sponsor: \$250
- 2015 Industry Mixer Sponsor: \$500
- 2015 Mini Golf Sponsor: \$275
